

**Ste. Anne & Le Massif – February 4-9 – Price depends on room occupancy**

Mont Ste. Anne has charm, character and challenges. There is something here for everyone. For those that like a challenge, you can enjoy the steepers. The trails are wider and longer than what other ski resorts in the Eastern U.S. Signage is fine and it is very easy to identify how to get around to the various places to sit down and relax on the hill to soak in the magnificent view from the top of La Crete, or to find the Sugar Shack for the classic maple syrup on a stick! For those that want to try something different, snowshoeing and days in Quebec City are available.
