

***National Capital Ski Club* – Equipment Rentals - \$75 for the entire season!**

Ski season is just a few short weeks away! So now is the time to dust off yours and your children's equipment and see what still fits and what needs to be replaced. Why buy new – when you can rent well-maintained good quality intermediate level equipment (both skis and boards) **for the entire season**. You get to take them home to use wherever and whenever you ski. All rentals include bindings. You must however supply your own boots and ski poles. Each member can rent one snowboard and one pair of skis each season.

Cost for Season - Skis & bindings or Snowboards & bindings

Adult: \$75.00 + \$9.75 HST = \$84.75

Junior \$55 + \$7.15 HST = \$ 62.15 (Junior pricing based on boot size 6 and under)

This is how to measure your child or yourself for your winter snow equipment:

Skis:

The tip of the ski should reach somewhere between the chin and the top of the head. The skis should not be taller than the top of the head (unless you've got a teen in the process of sprouting), but they can be a couple of centimetres below the chin. This is especially true if the child has just started skiing, is a timid skier or doesn't weigh very much. Basic rule: Distance from floor to Adam's apple/chin (centimetres).

Snowboards: Distance from floor to Adam's apple/chin (centimetres).

The rental form is available **on-line** <http://www.ncskiclub.ca/equipment.html>

Pick up will start Saturday 23 November. All rented equipment must be returned by Friday 19, Apr 2014.

Join and take advantage of our Membership Privileges. The National Capital Ski Club exists to promote affordable skiing and snowboarding in the local Ontario and Quebec region. The National Capital Ski Club will get you to the hill more often for less money.

Membership forms are available on our website: <http://www.ncskiclub.ca/membership.html>

Please fill in and **fax, e-mail or mail your forms to our office:**

National Capital Ski Club
Bldg 467 Uplands, 200 De Niverville Pvt,
Ottawa, ON K1A 0K2
